## Riviera Electric Towel Warmer (Model TW-PCP)

The WarmlyYours Riviera electric towel warmer is manufactured from superior quality high carbon steel and comes with a 5-year warranty. The modern curved tubular profile accommodates 4 large towels and comes in a polished chrome finish. At 24"W x 32"H, it is lighter in weight, easier to install and operates at a fraction of the cost of most liquid filled models.

Note: The Soft-Touch Control has been discontinued and replaced with a new improved Timer Control (TW-TIMER).
